*Why am I a
Hearthmaster mem-
ber? I'm proud to
have been in the
hearth industry as
long as I have. The
folks in the hearth
business are the nicest
people I've met in my*

*40 years of selling. And, the other members
of HearthMasters are some of those people
who have made it as enjoyable as it has
been. If you're not a member yet, please
consider joining Hearthmasters.*

It's worth it.

affords you a
great
opportunity to
get together in a
relaxed atmosphere at EXPO and
renew old friendships.*

*“Having spent the
better part of my
career in the hearth
industry, I am now
particularly glad that
there is an
organized way and
an excuse for me to
maintain contact
with all of my old
friends in the business. “*

EXPO's for one
reason*

*HearthMasters.
He wants to see his old friends. I see myself
following down the same path. I have made
MANY friends, especially as HPA and HPBA
officer and Chairman. HearthMasters is the
way I will keep up with these people as I get
older and retire.*
